

# MONTANA HEALTHCARE PROGRAMS NOTICE

September 16, 2021

Physician, Mid-Level, Psychiatrist, and Hospital Providers

## Reminder

### Off-Label Use of Ketamine

There has been an increase in off-label Ketamine use, especially for mental health disorders. As a reminder, in accordance with Administrative Rules of Montana [37.82.102 – Medical Assistance Definitions](#) and [37.85.207 – Services Not Provided by the Medicaid Program](#), Montana Healthcare Programs does not cover medications for non-FDA approved indications. Claims submitted for off-label use may be subject to a retrospective audit and recovery of payment.
