Appropriate Billing of D4341 and D4342

There has been an increase in the number of providers billing incorrectly for D4341 and D4342. It is inappropriate to bill these codes on a per-tooth basis.

Per the American Dental Association (ADA) Current Dental Terminology (CDT) manual, these codes are billed per **quadrant**, not per tooth. When submitting a claim for these services, providers must enter the appropriate quadrant (LL, UL, LR, UR) in the tooth number field on the claim form.
